

# Como Baixar Solid Edge Gratuitamente

1. Existem duas maneiras de baixar gratuitamente o solid edge, na versão estudante ou no teste grátis por 30 dias.

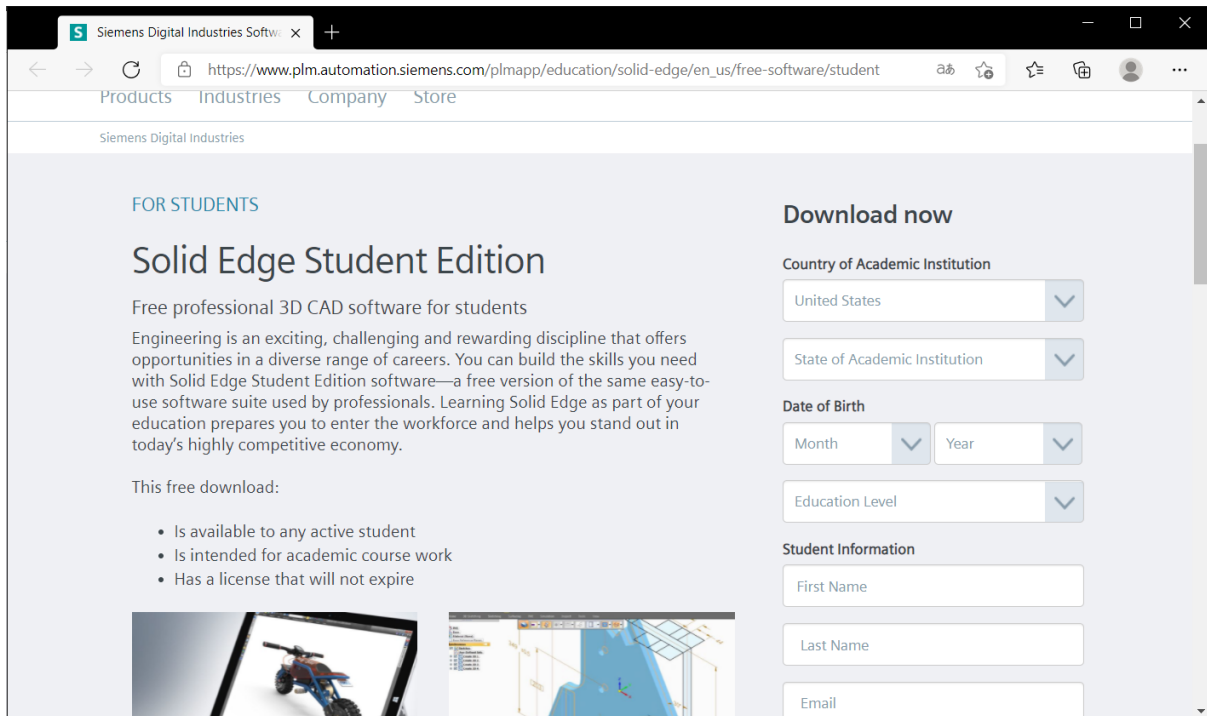

2. Na versão acadêmica para estudantes, deverá ser acessado pelo link anexado e clicando em "Faça download agora".

[Recursos do Estudante Grátis | Educação | Solid Edge \(siemens.com\)](https://solidedge.siemens.com/pt-br/solutions/users/students/)

2.1. Indo no canto superior direito terá um formulário para preencher e logo em seguida será disponibilizado abaixo a opção "Download" para que o mesmo seja efetuado.

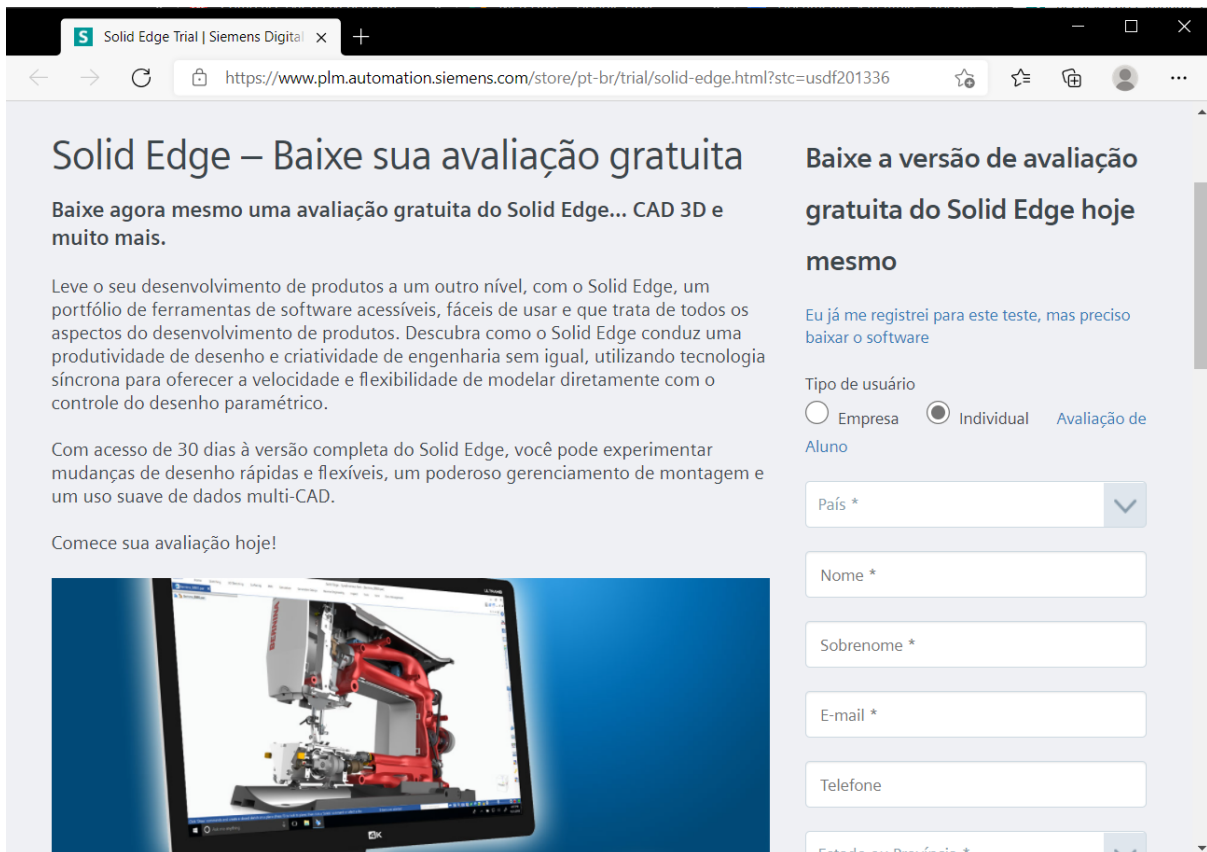

The screenshot shows a web browser window with the URL [https://www.plm.automation.siemens.com/plmapp/education/solid-edge/en\\_us/free-software/student](https://www.plm.automation.siemens.com/plmapp/education/solid-edge/en_us/free-software/student). The page is titled "FOR STUDENTS" and "Solid Edge Student Edition". It describes the software as "Free professional 3D CAD software for students" and lists benefits. Below the text, there are two images: a tablet displaying a 3D model of a motorcycle and a computer monitor showing a 3D CAD interface. To the right, there is a "Download now" section with a form containing the following fields:

- Country of Academic Institution (dropdown menu, currently set to "United States")
- State of Academic Institution (dropdown menu)
- Date of Birth (Month and Year dropdown menus)
- Education Level (dropdown menu)
- Student Information section with input fields for First Name, Last Name, and Email.

3. Para a versão de 30 dias gratuitos deve-se acessar link abaixo e na direita ser preenchido os dados para que seja liberado o download.
